

Bring the Joy of Childhood To a child this Easter

Donate an Easter Basket Today!

Easter is just a few weeks away...can you believe it?!!!

Here at ChildSafe we're collecting 250 Easter Baskets filled with Easter goodies for children that will come to ChildSafe the two weeks before Easter.

If you are interested in donating an Easter Basket and items (candy, small toys, etc.) or doing an Easter Basket collection at your office, please email Melanie Cawthon at melaniec@childsafesa.org.

While giving an Easter basket might seem like a small thing to do, receiving one is significant in the life of a child who is seeking to reclaim their childhood. You can provide that extra added joy an Easter Basket brings to the children this time of year.

When the children come into ChildSafe for Forensic Interviews, Medical Exams, Case Management or Counseling they know they are coming to talk about and work on the hard issues around the abuse they've experienced. Through donations from the community, we are often able to help them participate in those "normal childhood experiences" of Christmas, Easter, Back-2-School and others.

Thank you for considering a gift to ChildSafe. Please deliver Easter Baskets by Friday, March 19th.
