Event & Sponsorship Information

About ChildSafe

ChildSafe is a non-profit child advocacy center serving sexually abused children and their families throughout Bexar County and surrounding areas. Our mission is to restore dignity, trust and hope to children traumatized by sexual abuse. We provide a wide range of services, from medical evaluations to family counseling, at no charge to the families.

Conference Description & Target Audience

ChildSafe's *2010 Child Abuse Conference* is designed to equip professionals (i.e., nurses, physicians, mental health professionals, law enforcement, faith-based leaders, educators, etc.) with the skills necessary to successfully work with and on behalf of abused children and their families. Thirty-two intermediate to advanced level seminars will offer current information on interdisciplinary approaches and developmentally appropriate practices regarding abuse detection, investigation, treatment and prevention. A complete list of workshops will be made available after May 2010 at www.childsafe-sa.org.
